

Organizer

Danish Society for Theoretical Statistics

Organizing Committee (nc-o@dsts.dk)

- Bendix Carstensen (chair) bxc@svs.dk
- Peter Dalgaard p.dalgaard@biostat.ku.dk
- Helle Holst hh@unidhp.uni-c.dk
- Kim Knudsen kimk@novo.dk

Programme Committee (nc-p@dsts.dk)

- Peter Dalgaard p.dalgaard@biostat.ku.dk
- Dorte Kronborg (chair) kronborg@cbs.dk
- Steffen Lauritzen (representing SIS) steffen@math.auc.dk
- Mats Rudemo rudemo@math.chalmers.se
- Michael Sørensen michael@math.ku.dk

17th Nordic Conference on Mathematical Statistics

June 8-12, 1998

Elsinore, Denmark

Final announcement and call for papers
January 1998

Special Invited Lectures

- Søren Asmussen, Department of Mathematical Statistics, Lund University, Sweden:
Markovian distributions and point processes: Applied probability analysis and statistical inference
- Ib Skovgaard, Royal Veterinary and Agricultural University, Copenhagen:
Likelihood asymptotics

Invited Lectures

- Elja Arjas, Section of Biometry, University of Helsinki:
Bayesian inference
- Knut Conradsen, Institute of Mathematical Modelling, Technical University of Denmark:
Image analysis.
- Ulla Holst, Department of Mathematical Statistics, Lund University:
Analysis of environmental data.
- Per Mykland, Department of Statistics, University of Chicago:
Likelihood and martingales.
- Antti Penttinen, Department of Statistics, University of Jyväskylä:
Spatial statistics in biology.

Contributed paper sessions

Nine special-topic sessions will be organized.

Contributed papers should be submitted directly to the organizers of the sessions. There is no special form for submission of papers. It is recommended that persons who wish to present a paper contact the session organizer first.

Deadline for submissions is May 1st.

1. Statistical Methods for Diffusion Processes: Bo Martin Bibby (bibby@dina.kvl.dk)
2. Biopharmaceutical Statistics: Eva Seim (Eva.Seim@nycomed.telemark.no)
3. Incomplete Observations: Tobias Rydén (tobias@sibeliuss.maths.lth.se)
4. Statistics in Genetics: Søren Andersen (SA@ds-data.dk.)
5. Computational Statistics: Eva B. Vedel Jensen (eva@mi.aau.dk.)
6. Inverse Problems: Jens Ledet Jensen (jlj@mi.aau.dk.)
7. Industrial Statistics: Jacques de Maré (demare@math.chalmers.se.)
8. Spatial Statistics and Image Analysis: Martin Bøgsted Hansen (mbh@math.au.dk.)
9. Longitudinal Data: Jari Haukka (Jari.Haukka@ktl.fi)

Registration Form

17th Nordic Conference on Mathematical Statistics, June 8 - 12, 1998

First names:	
Last name:	
Mailing address (if c/o organization, please state)	
Telephone	
Fax	
E-mail	
Arrival date:	
Departure date:	

Fees (in Danish Kroner (DKK) and per person)	No.	Amount
Registration (including conference dinner) (normal/student)		
Before April 15, 1998	2500/2000	
After April 15, 1998	3000/2500	
Lunch tickets (Monday-Friday)	750	
Dinner tickets (Monday-Wednesday)	400	
Tour Wednesday June 10: Roskilde & Vikingship Museum	300	
Accommodation:		
LO-skolen (4 nights)	2700	
Højstrupgård (per night)	820	
Total		

NOTE: "Students" does *not* include Ph.D. students.

Payment All payments must be in Danish kroner (DKK), made payable to International Conference Services A/S. Please remember to state your name, address and NCMS17 on all payments. (Tick)

<input type="checkbox"/>	The amount is enclosed by bankers's draft or cheque drawn on a Danish bank.
<input type="checkbox"/>	The amount has been transferred to A/C No 4001 4001 154656 Den Danske Bank, Holmens Kanal2, DK-1090 Copenhagen K, Denmark, SWIFT Address: DA BA DK KK (not Danish delegates).
<input type="checkbox"/>	The amount has been transferred to Girobank 618 3522

Date: Signature:

Please return this form together with your payment to:

International Conference Services, Postbox 41, Strandvejen 171, DK-2900 Hellerup, Denmark, fax +45 3946 0515

Venue

The "LO school", Elsinore. The school/conference centre is an independent institution with a strong connection to the Danish trade union movement. It is situated in the North-Western part of Elsinore in an old park with a view to Kattegat. The distance to Kronborg Castle and the old part of Elsinore is about 3 km.

Accommodation

Primarily at the school itself, and at the neighbouring "Højstrupgård". There are also camping facilities and a youth hostel nearby.

Social events

Wednesday afternoon there will be arranged a tour to Roskilde, (www.roskildekom.dk) including a visit to the viking ship museum (www.natmus.dk/nmf/nb/8/english/art1.htm, www.natmus.dk/nmf/nb/8/english/art2.htm)
